

ACTDA Pointscore 2014/2015

Riders please note: **ONLY** riders who were financial members of ACTDA at the time of the Competition are included

All tests must achieve at least **58%** to earn points in the pointscore, only one score for each horse at each level is recorded at a competition

Ponies have only one award across all levels

Riders are awarded one score per competition regardless of how many horses they ride at the competition.

Points are awarded as follows: 1st place = 6 points, 2nd place = 5 points, 3rd place = 4 points, 4th place = 3 points, 5th place = 2 points, 6th place = 1 point

To be eligible for the pointscore riders and horses must compete in at least 3 ACTDA competitions during the membership year.

Senior rider points are awarded to the horse and rider combination

For all guidelines relating to the point score and annual awards please refer to the 'ACT Dressage Association (ACTDA) Pointscore and Annual Awards' document on the ACTDA web site
